EXECUTIVE SUMMARY

- **Senior Instructional Designer** with 10+ years of experience designing scalable learning systems and high-impact digital content for corporate EdTech and language training institutions.
- **Digitized** over **500 pedagogical assets** into a modular LMS environment, implementing automated gating and activity completion tracking to improve learner autonomy.
- **Architected** an end-to-end **36-session curriculum framework** for English proficiency, optimizing learning paths for personalized education.
- **Engineered** custom **JavaScript-to-API bridges** for interactive simulations, enabling precision tracking of learner behavior and decision-making metrics.

PROFESSIONAL EXPERIENCE

Academic Quality & Curriculum Architect **Sep 2023 - Jun 2025**
Universal Study Center (USC) *Ho Chi Minh City, Vietnam*

> *USC is an international education consultancy specializing in standardized test prep (IELTS/SAT/GRE) for high-performance learners entering global top-tier universities.*

- **Spearheaded** the digital transformation of high-stakes IELTS curricula, managing a cross-functional team of 4-6 educators to ensure 100% brand-architectural alignment.
- **Engineered** standardized assessment frameworks and interactive modules, achieving a **15% increase in high-band (7.5+) candidate attainment rates**.
- **Automated** placement and student tracking workflows, reducing manual diagnostic and processing lead times by **40%**.
- **Orchestrated** pedagogical strategy for merit-based candidates, facilitating over **$10,000+ in university scholarship funding**.
- **Synthesized** learner data from 100+ active candidates to inform curriculum architecture pivots and adaptive instructional execution.

Senior Instructional Designer & Content Architect **Nov 2021 - May 2023**
EngTalk Language Center *Ho Chi Minh City, Vietnam*

> *EngTalk is a digital-first EdTech platform focusing on professional communication and language training for corporate learners.*

- **Architected** a scalable **36-session hybrid syllabus framework** from conception to market-ready launch for adult learners.
- **Led** the production of 200+ micro-learning instructional assets, utilizing Articulate Rise 360 and advanced Storyline animations.
- **Engineered** interactive Storyline blocks with custom JavaScript to track high-stakes decision-making in professional communication scenarios.
- **Developed** a centralized content hub on Notion, streamlining asset management for a distributed team of 20+ instructors.
- **Collaborated** with business units to align curriculum goals with a **20% improvement in customer retention targets**.

Senior Instructional Designer & Product Lead **Mar 2021 - Oct 2021**
VietAccepted *Ho Chi Minh City, Vietnam*

> *VietAccepted is a premier training hub for GMAT/GRE and English certifications for high-potential professionals.*

- **Managed** the end-to-end production of brand-consistent instructional assets and visual learning modules for 1,000+ adult learners.
- **Standardized** ID workflows by implementing reusable storyboard templates, reducing content development cycles by **20%**.
- **Conducted** data-driven audits of instructional modules to identify and resolve learner friction points in complex GMAT/GRE concepts.
- **Consolidated** a centralized repository of 1,000+ reusable instructional assets for rapid product deployment and brand consistency.

LMS Architect & Experience Designer **Jul 2019 - Oct 2020**

Vietop English Center *Ho Chi Minh City, Vietnam*

> *Vietop is an English training center specializing in standardized test preparation with a focus on personalized learning paths.*

- **Digitized** 500+ static paper-based assets into a modular Moodle environment with automated rubrics and conditional access gating.
- **Optimized** the course taxonomy for IELTS preparation, improving student self-service efficiency by **25%**.
- **Resolved** LMS accessibility issues by developing mobile-responsive CSS and streamlined SCORM packages for Moodle.
- **Engineered** automated grading systems, significantly reducing manual instructor feedback cycles for writing tasks.

Senior ID & Curriculum Lead **Sep 2017 - Jun 2019**

ZIM Academy *Ho Chi Minh City, Vietnam*

> *ZIM is an academic institution providing intensive English preparation and personalized educational consulting.*

- **Led** trainer onboarding and instructional audits for **6+ new teachers** to ensure methodological consistency across 4+ branches.
- **Implemented** systematic classroom observation and feedback cycles, improving standardized test performance across key student cohorts.
- **Authored** 10+ comprehensive student workbooks and teacher guides, standardizing the IELTS Writing delivery system across the academy.

PORTFOLIO PROJECTS

- **The Deadline Crisis Simulator (Storyline 360):** Advanced branching simulation with custom **JavaScript data bridge** to Google Sheets API for real-time tracking.
- **Universal LMS Scalability (Moodle LMS):** End-to-end automated LMS architecture with complex activity gating, mastery-based feedback, and adaptive paths.
- **Modern Employee Onboarding (Rise 360):** Aesthetic technical onboarding case study highlighting agile deployment and mobile-first UX principles.

EDUCATION & CERTIFICATIONS

Ho Chi Minh City Open University, *B.A. English* (2019-23) | **Hoa Sen University**, *B.S. IT* (2010-16)

Certifications: IELTS Teacher Training (IDP & BC) | TESOL | Cambridge Teaching English Online

SKILLS & TECH

SKILLS: Instructional Design, Curriculum Development, LMS Architecture, SCORM/xAPI, Technical Writing, Storyboarding.

TECH: JavaScript (ES6), Moodle LMS (Admin), Articulate Storyline/Rise (Advanced JS), Canvas, GenAI Automation (Make.com/Zapier).
